

Amendments to the Specification

Please replace the paragraph beginning on page 7, line 19, with the following amended paragraph:

Subsequently, upon the judgment (S35), if the step register is not of the maximum value, that is, if there exists the next step, as shown in the upper portion of Fig. 6A 6, the menu items of the next step, that is, 'INPUT', "AUTO PROG", "MANUAL PROG", and "FAVORITE CH" and the menu item corresponding to its path, that is "CH", are displayed in a block noticeably different from the previous menu (S36), and the again selected menu item, "FAVORITE CH", is displayed in a noticeably different block and in a color noticeably different from the other menus (S37). At this time, if the next step selection key is again inputted, as shown in the lower portion of Figure 6 6B, the finally selected menu item becomes "TV 07" in the same manner as described above.

Please replace the paragraph beginning on page 8, line 24, with the following amended paragraph:

The third embodiment of the present invention is obtained by adopting the first and the second embodiments, ~~as shown in Figure 7~~. That is, the finally selected menu (TV 07) of the second embodiment is displayed in a specific color (red color) and the menus (FAVORITE CH, CATV 03 and TV05)
